Bob Sirpenski informed the Committee Patriot Disposal Company will be increasing their rates by 25% due to Rhode Island Resource Recovery raising their prices in November of 2015 and April of 2016. Steve reported that our trash is hauled to Preston. Bob Sirpenski will contact Patriot to find out why a cost increase in Rhode would affect the V/S Transfer Station. The Committee agreed by consensus to sign the agreement that Patriot presented to the Transfer Station.

DWT of North Franklin has been inquiring about obtaining the metal recycling business. Bob Sirpenski will contact Ian Gill at DWT and discuss their rates and process. If they are favorable compared to our current rates, The Transfer Station would switch. Steve Trahan reported that the service from our current vendor has become slow.

Bob Sirpenski presented the 2016-17 budget. Neil Cook made a motion to accept the budget and Fred Parker seconded the motion. Motion to accept the budget passed unanimously.

Geoffrey Cooper made a motion to adjourn. Debbie Fletcher seconded the motion. Motion carried unanimously. Meeting adjourned at 7:17 pm
