Applying for a building or zoning permit?

Do you have wetlands or watercourses within 100 feet of your activity?

Not sure if you have wetlands on your property?

The following activities need to be reviewed by the Town of Voluntown Wetlands Agent or the Inland Wetlands Commission **before** you begin your project:

- New residential or commercial construction, (additions, garages outbuildings, sheds)
- Repair or expansion of septic systems
- Construction of driveways or access ways
- Gravel removal operations
- Drainage improvements, (swales, French drains, culverts)
- Pond construction, dredging, retaining wall construction/repair
- Forestry and logging
- Any other land disturbing activities

Contact Joseph R. Theroux, Wetlands Agent Town of Voluntown
E-mail: Joetheroux426@comcast.net Cell# (860) 428-7992

I will meet with you to discuss your project and review the property for wetlands.

If necessary, Wetlands Permit applications are available through the Town Clerks office, and I routinely assist applicants with preparing their applications for review.
