Old Business

Budget

Due to COVID-19 and the request from the town, we are holding off on any expenditures that are not necessary. Finn Beach port o potty expense is covered. Training for playscape inspection for Mark has already been paid for and the additional garbage can was approved at a previous meeting. Jeff Laney sent several options for maintenance of the sidewalk and will be broken up into phases. There will be no recreation funds toward this project as of right now. Tracey will talk to Julie and public works to find the cheapest way to keep the weeds down.

New Business

Driv- In Movie Night

It was suggested having a drive-in movie night at Constitution Field. The only item needed at this point is an FM transmitter. Tammy will order the FM transmitter and it will not exceed \$300. Donations will be requested for the movie. The size of the screen needed to show the movie will be determined. It was suggested to use the ice rink liner as the screen. Mark will research the cost of licensing for the movies.
