

# Voluntown Superintendent Search

## Invitation to participate in Focus Groups and a Survey

The Voluntown Board of Education invites members of the school and broader community to participate in the search process for a new Superintendent of Schools.

Mary Broderick, a consultant working with the Voluntown Superintendent Search Committee, will conduct focus groups and a survey in early- to mid-February. The purpose is to gauge the community's perspectives on the qualities, experiences, and characteristics desired in a new superintendent. We encourage teachers, administrators, staff, parents, town officials, community organization representatives, and community members to participate.
